Please note:

All dimensions are in millimetres, and are subject to normal manufacturing variations.

Colour alternatives:

Personalise your own look and get exactly what you want. Mix and match the basin and the colour that suits, alternatively, customised colours can be chosen. Please be aware that the glass composition can cause colour variation of customised colours, especially with light colours.

Waste outlet:

The basins have been designed to fit waste outlets with a 40mm trap connection. It is recommended to seal around the rubber spacer and the waste outlet with a neutral cure plumbing silicone.

Warranty:

10 years on colour fastness and delamination. See website for more details www.glassartnz.co.nz.

Disclaimer:

While every effort has been made to capture a true likeness to colour, colour samples and photographs seen in this publication may not be an exact colour match to the product.
